
Post Oak Savannah Groundwater Conservation District

Public Hearings and Board Meeting

December 9, 2008 – 5:30 p.m.

Post Oak Savannah GCD Offices

310 East Ave. C

Milano, Texas

AGENDA

The subjects to be discussed or considered, or upon which any formal action may be taken, are as listed below. Items may or may not be taken in the same order as shown on this meeting notice.

1. Call to Order
2. Public Hearing on Amendment to Current Permits for Blue Water Systems, LP, to include the addition of thirty three new water wells to be operated in the aggregate with the existing eight permitted wells (PW-1 through PW-8). The amendment application seeks to allow the drilling and production of new wells PW-9 through PW-20 and CW-1 through CW-21, as previously noticed. The requested amendment would increase the total permitted production amount that the well field may produce from 30,993 acre feet per year to an amount not to exceed approximately 71,000 acre-feet of groundwater per year for transport outside the District for Municipal Use.
3. Public Hearing on Amendment to Current Transport Permit for Blue Water Systems, LP, to allow groundwater to be transported to additional locations to include Bell, Burnet and Lee counties for Municipal Water Use and to increase the total amount of groundwater permitted to be transported out of the District from 30,993 acre feet per year to an amount not to exceed approximately 71,000 acre-feet of groundwater per year to be transported out of the district, as previously noticed.
4. Public Comment
