WELL INSPECTION FOR INTERLOCAL AGREEMENTS

For the month of March 2026, the inspections, as required by the interlocal agreement and District, are broken down below.

Burleson County – Performed a total of 16 Septic inspections. Out of the 16 septic inspections, 6 involved water wells.

Milam County – Performed a total of 15 Septic inspections. Out of the 15 septic inspections, 3 involved water wells.

At Post Oak Savannah Groundwater Conservation District we aim to secure water for future generations through data collection, mentoring, regulation, and public education, in alignment with the Texas Water Code's preference for groundwater conservation districts. Learn more at: www.posgcd.org.
