POST OAK SAVANNAH
GROUNDWATER CONSERVATION DISTRICT

Education Report

October 2026

Jaclyn Wise
Public Relations & Education Coordinator
+1 512 760 6586 | jwise@posgcd.org

Summary

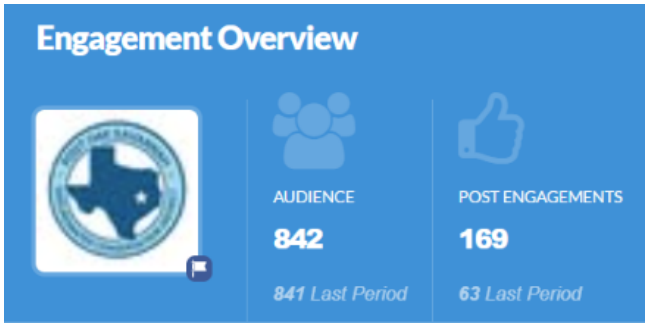

During October, staff participated in several education and outreach activities, including Michael Redman and Jaclyn Wise filming a water well education segment for a Ranch Management University and serving as panelists at Lone Star Groundwater Conservation District's first symposium. Staff hosted a cybersecurity training for local water utilities in partnership with CISA and TEEX, and sponsored a booth at the Burleson County AgriLife Extension's Fall Landowner Program. Social media and engagement metrics shown below.
