Re: Extension for 2025 Grant

The City of Rockdale has completed portions of the 2025 Grant Project. Delays in equipment delivery and contractor worker shortages have been detrimental to our completion. We are seeking an extension for this grant.

NOTE: The POSGCD 2024 Grant work has been completed as of March 1, 2026. The City of Rockdale will be seeking reimbursement for the costs associated with the 2024 grant in April of this year.

As always, thanks in advance for your help and the continued support of POSGCD.

Jerald Brunson
Public Works Director
City of Rockdale, TX
