Agenda Preview

Hello Directors,

Here is an Agenda Preview for our July 14, 2026 meeting. The “Consent Agenda” includes items not normally needing discussion. All items to be considered under the Consent Agenda have been reviewed by staff and appropriate consultants, as well as one of the District’s committees where appropriate.

As usual my comments are in ***bold italics where necessary***. I will leave no comment in cases where information in the Board Packet is self-explanatory or where comment is not needed. For those items a full report will be given at the meeting. Any necessary supporting documents are posted under the meeting date and may be found on our website at <https://posgcd.org/meetings/>. Some information may not be available until after a respective committee meeting or will be presented at the meeting.

Please see instructions below concerning attendance for the meeting. Please call with any questions.

Respectfully,

Gary Westbrook

Notice is hereby given that the Board of Directors of the Post Oak Savannah Groundwater Conservation District will hold a regular meeting on July 14, 2026, at 5:30 pm.
