TEXAS 4-H WATER AMBASSADORS SCHOLARSHIP APPLICATION

Guidelines & Application

Post Oak Savannah Groundwater Conservation District (POSGCD) offers a scholarship to students in Burleson and Milam Counties that are accepted and active in the Texas 4-H Water Ambassador Program (4-H2O). The scholarship is intended to support and encourage the exploration of the diverse career paths in the water industry and to invest in the development of future leaders in the industry. The scholarship provides:

1. The annual participation fee (currently \$250) for selected and retained ambassadors.
2. Reimbursement for expenses and participation fees incurred with spring and fall retreats, conferences, and other water-related meetings and trainings. Reimbursement forms can be found on the website: <https://posgcd.org/grant-programs/>
3. Annual scholarship of \$1,250 accrued at the end of each school year (up to \$5000 total) paid directly to the continuing education or higher education institution after the student's high school graduation.

Eligibility & Requirements

- Student must reside in Burleson or Milam County.
- Student must be in good standing with 4-H2O by meeting all education and service requirements.
- Student must spend four (4) hours each month working with the district on various projects with staff of different specialties as assigned by the General Manager. (assist with monitoring and well measurements, outreach/education events and materials, etc.)
- Student must file monthly written reports on 4-H2O activities and present reports in person to the POSGCD Board semi-annually.
- District funds will be dispersed to reimburse expenses with proof of expense attached.

Application Process

To apply for this scholarship the student must qualify according to the Eligibility and Requirements listed above, complete the application forms provided by the District, and include a copy of the acceptance letter issued by the Water Ambassadors Program or other proof (See Appendix A).

Reimbursements

To qualify for reimbursement of qualified expenses the student must provide a request for reimbursement, including receipts and proof of expenses, on forms provided by the District.
