Unlicensed Driller

Overview:

Started out with 42 permittees in enforcement for failure to report production.

35 came into compliance (Enforcement Committee waived fees);

4 of the 7 permittees requested a hearing (Enforcement Committee voted to waive 3 of 4 violations/hearings and waive violation for 4th permittee if permittee reports production by 2/13/2026)

- 3 of the 7 permittees did not timely request hearing/have not responded (Enforcement Committee Voted to develop Default Orders that will be reviewed by Board at March Meeting)
